# The candidates of Stranda Venstre

## 1. Trond Otto Berg (f. 1970)

Rektor, Stranda Kulturskule, Stranda.

Especially wants to work for integration, school and education. Wants focus on skilled workplaces and new establishments. Stranda has a great potential, and can be a leading municipality in new environmental technology and "green growth". Has experience at all levels in organisations and political work, but is new in local politics.

## 2. Amalie Ringdal Birkhol (f. 1997)

Student, Stranda

Wants to work for good services for people of all ages, a good and safe environment for childhood and upbringing, as well as nature and environmental protection. In particular, she wants youth in Stranda to have its own voice in the local politics. She has lived in Australia for a year, and has come home with new impulses and experiences. She has been leader of Stranda Youth Council, and has been both a member and board member of Unge Venstre locally.

## 3. Oda Kristine Stadheim Myklebust. (f. 1993)

Student, Stranda.

Is in particular engaged with school and education, "green growth" and safe health services. Wants to work for integration of immigrants and wants Stranda to be a community where everyone feels welcome. We have to build Stranda's future together – regardless of nationality, culture or ethnic background.

4. Solveig Årdal (f. 1997), Stranda

5. Vebjørn Vartdal (f. 1943), Geiranger

# The politics of Stradna Venstre

## School and childhood.

*A good school is the biggest and most important gift a municipality could give the coming generation. Good teachers, good leaders and a good teaching environment is what guarantees a good school.*

### Stranda Venstre wants to:

- ✓ Keep today's school- and kindergarten structure, as well as make sure the schools get the resources they need for the students to have a good teaching environment
- ✓ Quality assure the after-school scheme (SFO) as a teaching- and spare time arena
- ✓ Increase the number of apprenticeships in the municipality

## Children and Adolescents

Children and adolescents is the future of this municipality. We have to believe that the youth themselves can help develop good services for children and adolescents

### Stranda Venstre wants to

- ✓ Strengthen and develop further the youth council through formally giving responsibility and authorizations where natural
- ✓ Introduce «home for a 50-note» for youth in Stranda
- ✓ Facilitate for the youth that wishes to settle down in Stranda, and make sure they can find homes fitted for a «young» economy

## Business sector

Active and attractive business is the most important factor for development, employment and settlement

### Stranda Venstre wants to:

- ✓ Lead an active business politics and work for new business and industries to establish in Stranda, as well as facilitating for the ones that are already here
- ✓ We want more skilled workplaces in the municipality
- ✓ Work for sustainable tourism and facilitation of nature, culture and attractions in all of the Municipality of Stranda

## «Green growth»

*The world heritage status gives us a great starting point for Stranda to be a leading municipality in the daily environmental work. The Municipality of Stranda can lead «green growth» and should have as a goal that all new projects, both municipal and private, is a part of making this municipality and its nature cleaner.*

### Stranda Venstre wants.

- ✓ The Municipality of Stranda to prepare an “environmental poster”, and in that way make it easier for businesses, employees, costumers and citizens to make “green choices” in their everyday choices
- ✓ Introduce stimulation measures for businesses and households that makes green choices and measures
- ✓ Encourage active use of both the culture landscape and nature in business and tourism

## Health and safety

Good health services creates safety and well-being. The Municipality of Stranda is a municipality with great challenges in communication, and big seasonal fluctuations in parts of the municipality

### Stranda Venstre wants to

- ✓ Have a duty doctor scheme that ensures the citizens secure access to doctors, every day, all year
- ✓ That every citizen in Stranda has as equal access to health-

- ✓ and ambulance services – regardless of age and address
- ✓ Strengthen the preventive health care through focus on nurses, health care stations for youth, midwife services and the municipality's work with general and preventive public health
- ✓ Have conversational/psychologist offers for youth

## Labor immigration and refugees

The Municipality of Stranda and the businesses in the municipality is dependant on a significant number of labor immigrants also in the years to come. It has been a great challenge to establish and design services that are adapted for a multicultural population. We believe that good education in languages is the measure with the greatest effect when it comes to integration and cultural understanding

### Stranda Venstre wants to:

- ✓ Stranda to take its part of the responsibility of settle refugees, but require the state to take the bill
- ✓ Give all immigrants good and facilitated language learning, in Norwegian Nynorsk («New Norwegian»). Highly educated immigrants should be able to be educated in Norwegian at a higher level locally in the municipality so as they can utilize their competence
- ✓ The Municipality of Stranda needs places and arenas where immigrants and ethnic Norwegian residents together can further develop the community of Stranda
